

How can my church join Love Placentia?

▪ APRIL 28, 2018 ▪

**Demonstrate Kindness
Meet Needs, Impact Lives**

Love Placentia desires to bring the churches in our community together with the city, school district, non-profits, and more to show Christ's love, compassion and hope to our neighbors through city-wide serve days that open doors to serve and love year round. How will your church join us?

Promote

Help us spread the word about Love Placentia 2018! We want our city to know that the faith communities want to be an active part of serving the needs of Placentia. Contact us to get a media package so you can help promote Love Placentia through word of mouth, flyers, social media, video, and more!

Project Leaders

Do you have people in your congregation who are friendly and welcoming, are great at mobilizing volunteers, and/or who have landscaping, painting, or construction experience? We have over 30 projects that need various types of experienced leaders to lead. Help us recruit great project leaders from the people in your church!

Volunteer

Join our team as volunteers! We have projects for ages and stages of life and would love to have your church congregation join us! Encourage people to sign up for a project they are passionate about or contact us about group sign ups to engage in Love Placentia as a small group or church together.

Leadership Team

Would your church like to help lead and shape Love Placentia in our community? We would love to talk about how someone from your church would fit on our leadership team as we seek to impact the city of Placentia together.

Sponsor

Love Placentia is funded through generous local businesses and churches giving back to their city. There are various levels of sponsorship that your church could be involved in that would also advertise to 1500 people your churches desire to be part of the community.

Pray

No matter how your church engages in Love Placentia 2018, would you join us in praying that through the churches and the Jesus followers who are part of Love Placentia 2018, many in our city would experience the love of God through the kindness and service of His people in their neighborhoods?
